📍 Izmir, TR

SUMMARY

As a Game Developer with 8 years of industry experience and a background in Computer Science, I bring a range of skills to the table. Proficient in Unity 3D, C#, and game design, I've also invested time in developing prompt engineering and 3D modeling skills. Coupled with my interpersonal skills, I'm confident in my ability to adapt swiftly to new challenges.

PROFESSIONAL EXPERIENCE

Freelance Game Developer 11/2017 - Present
[Upwork](#)

Worked directly with clients to help them achieve prototyping and marketing.

• [Upwork Profile](#)

Senior Game Programmer 07/2023 - 06/2025
